**POLICY STATEMENT**
This policy is subject to any specific provision of the Local Government Act, Community Charter, or other relevant legislation or Union Agreement.

The District recognizes that the work performed by volunteer groups and organizations enhances the social, spiritual, cultural, educational and physical well-being of the community, and supports those groups through reductions in property taxation.

**PLACES OF WORSHIP**
The Community Charter provides a statutory exemption for places of worship which include the building set apart for public worship and the land on which the building stands. A permissive exemption is necessary to exempt from taxation any portion of the property over and above the footprint of the building. Where the church property is owned by, or on behalf of a recognized church, the land surrounding the church building will be exempted from taxation, excluding the manse and property equivalent to a normal sized lot of 30’ x 50’.

**LOCAL AUTHORITIES**
Property owned or held by a municipality, regional district or other local authority that Council considers is used for a purpose of the local authority will be exempted from taxation.

**CATEGORIES – NOT-FOR-PROFIT ORGANIZATIONS**
To achieve equity among organizations, four categories are established:

1. **Social Service Organizations:** Properties used by organizations primarily to provide support services to members of the community with health-related issues and needs.

2. **Community Service Organizations:** Properties used by organizations to enhance the quality of life of the community’s citizens through a variety of community events and community projects.

3. **Cultural/Educational/Conservation Organizations:** Properties used by organizations for the preparation and delivery of cultural, heritage, education and conservation programs and events.

4. **Recreational Organizations:** Properties used by organizations primarily for the provision of space and equipment for the physical and mental enjoyment of the participants, with or without spectators.

A 100% exemption is established for each category noted above.
