FALL GARDEN WASTE/LEAF DROP-OFF PROGRAM CANCELLED

The District of Coldstream is CANCELLING the 2020 Fall Garden Waste/Leaf Drop-Off Program at its Transfer Station located at 10405 Middleton Drive due to the COVID-19 Pandemic. This action is in support of the public gathering orders and social distancing measures put in place by the Provincial Medical Health Officer, to ensure the safety of residents and staff alike.

Please be advised that the RDNO landfill at 120 Birnie Road is currently open. More information regarding hours of operations and locations can be found at www.rdno.ca. The decision to cancel the 2020 Fall Garden Waste/Leaf Drop-Off Program was made taking into account the limited usable area at the transfer station, the ability to manage traffic while ensuring public health orders are being followed, and the site specific mitigation measures that have already been implemented at the landfill.

Please keep in mind that any changes to our protocols could come very rapidly and would be based on provincial and federal requirements. For further information, please contact the Publics Works Department at (250) 550-1505.
